

## TERMS OF USE

Effective: March 15, 2016

Revised: January 7, 2019

### 1. Introduction and Overview

These Terms of Use (“Terms”) govern your use of any online service location that posts a link to these Terms and all features, content, and other services that Advantia Health (“Practice,” “we,” “our,” or “us”) owns, controls and makes available through such online service location (collectively, the “Service”).

Our Service is offered to you conditioned on your acceptance without modification of the terms, conditions, and notices contained herein. By using our Service, you agree to these Terms and consent to our collection, use and disclosure practices, and other activities as described in our [Privacy Statement](#). In some instances, both these Terms and separate terms will apply to your use of the Service, which are incorporated herein (“Additional Terms”). To the extent there is a conflict between these Terms and any Additional Terms, the Additional Terms will control unless they expressly state otherwise. If you do not agree and consent, discontinue use of the Service.

### 2. Modification of These Terms

We reserve the right, at any time in our sole discretion, to change the terms, conditions, and notices under which our Service is offered, without prior notice. You agree that we may notify you of any updated Terms and any applicable Additional Terms by posting them on the Service so that they are accessible via a link from the home page, and/or by sending you an e-mail to the last e-mail address you provided to us. All such changes are effective immediately when we post them, or such later date as may be specified in the notice of updated Terms and any applicable Additional Terms. Your continued use of the Service following the posting of revised Terms and any applicable Additional Terms shall indicate your acknowledgement of such changes and your agreement to be bound by the terms and conditions of such changes. If you object to any such changes, your sole recourse is to cease using the Service.

### 3. Limited License; Content and Service Use Restrictions

#### A. Content.

The Service contains: (i) materials and other items relating to Practice and its products and services, and similar items from our licensors and other third parties, including all layout, information, databases, articles, posts, text, data, files, images, scripts, designs, graphics, instructions, illustrations, photographs, sounds, pictures, videos, advertising copy, URLs, technology, software, interactive features, the “look and feel” of the Service, and the compilation, assembly, and arrangement of the materials of the Service and any and all copyrightable material; (ii) trademarks, logos, trade names, trade dress, service marks, and trade identities of various parties, including those of Practice; and (iii) other forms of intellectual property (all of the foregoing, collectively “Content”). All right, title, and interest in and to the Service and the Content is the property of Practice or our licensors or certain other third parties, and is protected by U.S. and international copyright, trademark, trade dress, patent and/or other intellectual property and unfair competition rights and laws to the fullest extent possible.

B. Limited License.

Subject to your strict compliance with these Terms and the Additional Terms, Practice grants you a limited, non-exclusive, revocable, non-assignable, personal, and non-transferable license to download, display, view, use, play the Content on a personal computer, browser, laptop, tablet, mobile phone or other Internet-enabled device (each, a “Device”) and/or print one copy of the Content as it is displayed to you, and to create hyperlinks to the Service, in each case for your personal, non-commercial use only. The foregoing limited license (i) does not give you any ownership of, or any other intellectual property interest in, any Content, and (ii) may be immediately suspended or terminated for any reason, in Practice’s sole discretion, and without advance notice or liability. Your unauthorized use of the Content may violate copyright, trademark, privacy, publicity, communications, and other laws, and any such use may result in your personal liability, including potential criminal liability.

C. Restrictions.

If you are under thirteen (13) years of age, then you are not permitted to use the Service or Content. You agree to comply with all local, state, federal, national, foreign, supranational, and international laws, statutes, ordinances, regulations, treaties, directives, and agreements that apply to your use of the Service and Content. As a condition of your use of our Service, you warrant to us that you will not use our Service for any purpose that is unlawful or prohibited by these terms, conditions, and notices. You may not use our Service in any manner which could damage, disable, overburden, or impair our Service or interfere with any other party's use and enjoyment of our Service. You may not obtain or attempt to obtain any materials or information through any means not intentionally made available or provided for through our Service.

D. Availability, Termination, and Survival.

Practice may immediately suspend or terminate the availability of the Service and Content, in whole or in part, to any individual user or all users, for any reason, in Practice’ sole discretion, and without advance notice or liability. Upon suspension or termination of your access to the Service, or upon notice from Practice, all rights granted to you under these Terms or any Additional Terms will cease immediately, and you agree that you will immediately discontinue use of the Service. The provisions of these Terms and any applicable Additional Terms, which by their nature should survive your suspension or termination, will survive.

E. Reservation of All Rights.

All rights not expressly granted to you are reserved by Practice and its licensors and other third parties. No right or license may be construed, under any legal theory, by implication, estoppel, industry custom, or otherwise. *Any unauthorized use of any Content or the Service for any purpose is prohibited.*

You understand that you will not receive any fees, sums, consideration, or remuneration for any of the rights granted in this Section. Our receipt of your Submissions is not an admission of their novelty, priority, or originality, and it does not impair our right to contest existing or future intellectual property rights relating to your Submissions. You agree that your Submissions will not: (i) promote any political or commercial purpose; (ii) defame, abuse, harass, stalk, or threaten others; (iii) use racially or ethnically offensive language; (iv) discuss or incite illegal activity; or (v) infringe any intellectual property or other right of ours or any third party.

Any interactions, transactions, and other dealings that you have with any third parties found on or through the Service are solely between you and the third party. You hereby agree to indemnify Practice against all claims, injury and/or damages including attorneys' fees that arise out of your use of any Third Party Service, including from any material that you post on any forum or social networking site in connection with us and/or any other claim related to your use of social media.

We reserve the right to send you e-mails relating to your account or use of our Service, such as administrative and service announcements and these transactional account messages may be unaffected if you choose to opt out from receiving our promotional e-mail.

B. Text Messages.

You may be given opportunities to subscribe to various text marketing or other text messaging programs and by doing so, you consent to receive ongoing text alerts (including by auto-dialers) from us related to our various businesses and affiliates, which may include co-promotions with or about other parties, except that if the scope of your consent for a particular subscription is limited that subscription will be so limited. **For each subscription, text “HELP” for help and text “STOP” to terminate (i.e., opt out) of that subscription.** Subsequent or different subscriptions will be unaffected by an opt out.
