

# ADVANTIA HEALTH PATIENT NOTICE

## **IMPORTANT INFORMATION REGARDING NON-EMPLOYED MEDICAL STAFF**

### **Attention Patients**

At Advantia Health, we collaborate with external medical service providers to enhance your care. Please understand that non-employed healthcare professionals (i.e. phlebotomy, anesthesiology, pathology, etc.) are independent contractors, not employed by Advantia Health. Such practitioners must meet certain licensing and training standards and their respective companies are directly responsible for the services provided.

Advantia Health, cannot be held liable for any acts or omissions of the care provided by individuals and companies outside of our organization.

We value your trust and are committed to ensuring your best experience with our practice. If you have any questions or require further clarification, please reach out to our office staff or our compliance team, who will be happy to assist you.

Thank you for choosing Advantia Health!

For questions or concerns, please contact:
